Medieval Monsters Random House

In a city like Ankh-Morpork, where Assassins assassinate, thieves thieve and seamstresses, um . . . don't, Law and Order can be a complicated business. Thankfully His Grace, His Excellency, The Duke of Ankh, Commander Sir Samuel Vimes (Blackboard Monitor) and the Ankh-Morpork City Watch are here to keep the peace. The finest body of men, women, dwarfs, trolls, werewolves, golems, igors, gnomes, feegles, vampires (and whatever Nobby Nobbs is) on the face of the Discworld! The Ankh-Morpork City Watch Journal provides jotting space for your notes, reports, observations and investigations, so kick back, relax and take down your particulars. To help you keep on the straight and narrow, you'll be aided and abetted by some choice quotes from Terry Pratchett's seminal City Watch novels.

Marvel's Black Panther: The Art of the Movie Gollancz

Unseen University are proud to present the most comprehensive map and guide to the Disc yet produced. In this noble endeavour, drawing upon the hard won knowledge of many great and, inevitably, late explorers, one may locate on a detailed plan of our world such fabled realms as the Condiment Isles, trace the course of the River Kneck as it deposits silt and border disputes in equal abundance on the lands either side, and contemplate the vast deserts of Klatch and Howondaland - a salutary lesson in the perils of allowing ones goats to graze unchecked. This stunning work brings to life the lands and locations of the Discworld stories in a way never seen before. Accompanied by lavish full-colour illustrations and a detailed world map, this is a must-have for any Discworld fan.

The Fairy Tale Art of John Bauer Random House

"Published to accompany an exhibition at the Morgan Library & Museum, 8 June to 23 September 2018."

The Discworld Graphic Novels: The Colour of Magic and The Light Fantastic National Geographic Books

A beautiful visual history book of fantasy art from Romanticism and steampunk to modern illustrations from novels. Art has always been one of the most vivid ways to express people's imagination. Fantasy art illustrates the full range of human fears and dreams, from mythology, the Bible, and the artist's own original and exciting stories. This book describes the history of fantasy art from Romanticism in the 18th century to the modern era by exploring the masterpieces of fantasy artists: William Blake, John Martin, Albert Robida, Jules Gabriel Verne, H.G. Welles, and more. It also shows illustrations from science fiction and fantasy novels such as Mary Shelley's *Frankenstein*, poems and stories by Edgar Allan Poe, mystery novels by Agatha Christie, and contemporary fantasy novelists such as J.R.R. Tolkien and Michael Ende. This book illustrates the remarkable transition of fantasy art that occurred in 19th century when steampunk was introduced to the fantasy art world. Steampunk was unique because it was a fantasy-based style that was inspired by a real event, the Industrial Revolution. Today, the influence of steampunk can be seen in everywhere, from legendary films by Walt Disney and Hayao Miyazaki's Studio Ghibli. This book will surely satisfy all lovers of fantasy art and literature.

Lords and Ladies Gollancz

An in-depth look into the life and writings of the bestselling author of the Discworld novels, *Good Omens*, and *Nation*. *The Magic of Terry Pratchett* is the first full biography of Sir Terry Pratchett ever written. Sir Terry was Britain's bestselling living author*, and before his death in 2015 had sold more than 85 million copies of his books worldwide. Best known for the Discworld series, his work has been translated into thirty-seven languages, and performed as plays on every continent in the world, including Antarctica. Journalist, comedian and Pratchett fan Marc Burrows delves into the back story of one of UK's most enduring and beloved authors, from his childhood in the Chiltern Hills, to his time as a journalist, and the journey that would take him—via more than sixty best-selling books—to an OBE, a knighthood and national treasure status. *The Magic Of Terry Pratchett* is the result of painstaking archival research alongside interviews with friends and contemporaries who knew the real man under the famous black hat, helping to piece together the full story of one of British literature's most remarkable and beloved figures for the very first time. * Now disqualified on both counts. Praise for *The Magic of Terry Pratchett* "In this encompassing biography of the prolific fantasy and science-fiction author, writer and comedian Burrows details both the writing accomplishments and the personal life of Sir Terry Pratchett. . . . Burrows spoke to friends and family, and this biography has moments of sadness, especially when discussing Pratchett's fight with Alzheimer's. But the book is also funny and conversational in tone, and an excellent tribute to a beloved author." —Booklist "Affable and consistently engaging . . . Burrow's buoyant, pun-

peppered, and aptly footnote-flecked style . . . helpfully marries his subject matter, propelling us through decade after decade of a heavily writing-centric life while illuminating Pratchett's complexities and contradictions without any drag in the tempo. " —Locus Magazine " An impressively comprehensive, engagingly written biography. **** " —SFX

The Ankh-Morpork City Watch Discworld Journal Dark Horse Comics

Gold and Sword Harper Collins

Born in 1882 John Albert Bauer was a Swedish painter and illustrator. He studied at the Royal Swedish Academy of Arts and in 1904 he illustrated his first book, 'Lappland'. He is best known for his illustrations in early editions of 'Bland tomtar och troll' (Among Gnomes and Trolls), featuring stories of Swedish folklore and fairy tales. Bauer's troll illustrations were of a grotesque style but with a touch of humour, appealing to both children and adults alike. Most of his works are watercolours usually in muted colours over pen and ink line work. This enchanting compilation features 83 of Bauer's best works mostly from various editions of 'Bland tomtar och troll'. This superb collection is certain to delight lovers of fairy tale illustration and also Bauer admirers.

Terry Pratchett's Discworld Imaginarium Gollancz

Imagine a flat world, sitting on the backs of four elephants, who hurtle through space balanced on a giant turtle. The Discworld is a place (and a time) parallel to our own - but also very different. That is the setting for Terry Pratchett's phenomenally successful Discworld series, which now celebrates its 25th anniversary. The Discworld Graphic Novels presents the very first two volumes of this much-loved series in graphic novel form. First published fifteen years ago, these fully illustrated versions are now issued for the first time in hardback. Introduced here are the bizarre misadventures of Twoflower, the Discworld's first ever tourist, and possibly - portentously - its last, and his guide Rincewind, the spectacularly inept wizard. Not to mention the Luggage, which has a mind of its own.

The Palmetto and Its South Carolina Home Huszar Books

Have you ever wanted Christmas to be different? Turkey and carols, presents and crackers - they all start to feel a bit . . . samey. How about a huge exploding mince pie, a pet abominable snowman, or a very helpful partridge in a pear tree? What if Father Christmas went to work at a zoo, or caused chaos in a toy store, or was even arrested for burglary!? Dive into the fantastically funny world of Terry Pratchett, for a festive treat like no other. These ten stories will have you laughing, gasping and crying (with laughter) - you'll never see Christmas in the same way again.

Johnny and the Dead Last Gasp

There is a hint of Armageddon in the air. According to the Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the Armies of Good and Evil are massing, the four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witchfinders are getting ready to Fight the Good Fight. Atlantis is rising. Frogs are falling. Tempers are flaring, and

everything appears to be going to Divine Plan. Except that a somewhat fussy angel and a fast-living demon are not particularly looking forward to the coming Rapture. They've lived amongst Humanity for millennia, and have grown rather fond of the lifestyle. So if Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the AntiChrist (which is a shame, really, as he's a nice kid). There's just one glitch: someone seems to have misplaced him. This edition features a new revised text, approved by Neil Gaiman and the Pratchett Estate, which clears up many typos and errors from previous editions. It also features twelve full colour illustrations from Paul Kidby - Terry Pratchett's artist of choice - and further pencil drawings.

Modern Gothic VIZ Media LLC

Following the events of Captain America: Civil War, T'Challa returns home to Wakanda to take his place as king. But when two new enemies conspire to destroy the country, the Black Panther must team up with members of the Dora Milaje-Wakanda's special forces-and CIA agent Everett Ross to protect his home from being dragged into a world war. Go behind the scenes with exclusive concept artwork and in-depth analysis from the filmmakers in this keepsake volume!

Guards! Guards!: The Play Random House

Sir Terry Pratchett left us, far too early, in March 2015. To celebrate his life and works, we've given over the 2017 Discworld Diary - which will be a perennial diary - to remembrances and tributes from some of those who knew and loved him and his extraordinary body of work. Contributors include Neil Gaiman, A S Byatt, Terry Pratchett's literary agent Colin Smythe, co-author of the Long Earth books Stephen Baxter, famed bookseller Rog Peyton, and many more. With an introduction from his daughter Rhianna Pratchett and an afterword from longtime friend and colleague Rob Wilkins.

Never Lasting Miracles Hachette UK

The final collection of short stories from the incredible Sir Terry Pratchett! Imagination is an amazing thing. It can take you to the top of the highest mountain, or down to the bottom of the deepest depths of the sea. This where it took Duggins on his Awfully Big Adventure: a quest full of magic and flying machines. (And the world's best joke - trust me, it's hilarious.) It took three young inventors to the moon (where they may or may not have left a bottle of lemonade) and a caveman on a trip to the dentist. You can join them on these adventures, and many more, in this incredible collection of stories . . . From the greatest imagination there ever was. Written for local newspapers when Terry Pratchett was a young lad, these never previously published stories are packed full of anarchic humour and wonderful wit. A must-have for Terry fans . . . and young readers looking for a fix of magic.

The Illustrated Good Omens Createspace Independent Publishing Platform

A sumptuous illustrated journey through Pratchett's bestselling Discworld universe, this lavish full-color volume is the ultimate holiday gift for the legions of fans.

Fool's Proof Tansy Rayner Roberts

With its fanlike evergreen fronds, soft trunk, and strong root system, the palmetto is a wind-adapted palm that can bend with strong sea breezes without breaking or being uprooted. Emblematic of survival against opposition, the palmetto tree has captured the imaginations of South Carolinians for generations, appearing on the state seal since the American Revolution and on the state flag since 1861. The palmetto was named South Carolina's official state tree by Governor Burnet R. Maybank in 1939, and in 1974 Governor John C. West commissioned acclaimed South Carolina artist Jim Harrison to paint the official palmetto tree portrait for the State of South Carolina, an image that adorns the State House to this day. The Palmetto and Its South Carolina Home showcases the timeless, natural beauty of the state tree in marshland and coastal landscapes in the popular Harrison style. Appearing on glassware, stationery, jewelry, and many other decorative and functional objects, the palmetto tree is an omnipresent symbol in South Carolina culture. For Harrison the palmetto remains foremost an icon of the wondrous Carolina coastal habitats. Sweeping images of the coast have been part of Harrison's art since the beginning of his career, and he continues to illustrate his love of the South Carolina coast by capturing the beauty of the state tree amid the many stunning and enchanting scenes included here. The Palmetto and Its South Carolina Home also explores the historical background of the tree and its many ties to South Carolina's heritage as a symbol of strength and beauty worthy of this artistic celebration.
