Many fans refer to Gary Vitti as a Lakers legend. He doesn't describe himself that way - but it is well known that he has worked with many legends over his 32-year NBA career. During his tenure as Head Athletic Trainer, the team won 12 Western Conference Championships and 8 NBA Championships. When he started in 1984, he was a one-man show, the first person at practice and games and the last one to leave. Since that time, iconic film and photos dot the media from network highlights to magazine covers. The job went beyond health care to personal relationships with some of the greatest champions to walk the planet. As a fixture on the first seat of the bench you can imagine, Vitti has seen, heard, and been part of unforgettable achievements and historical defeats. Gary gives you a behind the curtain look, sneak peek from a vantage point he calls, "the best seat in the house." Either on the court, on the road or in the locker room, he delivers story after story from lessons he's learned on happiness, leadership, greatness, and the ever-evolving technology of sports science. In his straight forward storytelling, Vitti allows us a bird's eye view into the heated rivalries of the greatest professional Basketball match-ups fans have ever seen. Not just the athletic prowess of Hall of Fame greats like Kareem Abdul-Jabbar, Magic Johnson, Shaquille O'Neal, Kobe Bryant, James Worthy, and Byron Scott but personal insights into all of them. Experience the intensity and benevolence of Pat Riley. Realize the business savvy of Lakers' owner Dr. Jerry Buss and General Manager, Jerry West, as trades are made and dynasties are built. Strap yourself in - enjoy the ride!

Library Journal

This is a comprehensive, intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view. The work is divided into three broad divisions of the natural course of cultural development in Ancient India: (1) From the prehistoric age to 600 B.C., (2) From 600 B.C. to 300 A.D., (3) From 300 A.D. to 1200 A.D. The work describes the political, economic, religious and cultural conditions of the country, the expansionist activities, the colonisation schemes of her rulers in the Far East. Political theories and administrative organizations are also discussed but more stress has been laid on the religious, literary and

cultural aspects of Ancient India. The book is of a more advanced type. It would meet the needs not only of general readers but also of earnest students who require a thorough grasp of the essential facts and features before taking up specialized study in any branch of the subject. It would also fulfil requirements of the candidates for competitive examinations in which Ancient Indian History and culture is a prescribed subject.
