This book provides a comprehensive compilation of global sexual harassment laws, clearly necessary in this climate but not currently existing until now. It presents legislation addressing workplace sexual harassment in over 50 countries in the European Region, Asia Pacific, Americas, and the Middle East and Africa. Within each region, the laws of individual countries are set forth, as well as some cultural context and recent developments to indicate present and future trends in workplace sexual harassment regulation. Written in clear, plain English for anyone without a legal background to understand, this book is essential reading and a key resource for employment and business attorneys, global employers, managers, human resources professionals, and occupational health and safety professionals.
