Bound to the Battle God Ink
Spark Press
When I went to my
neighbor's apartment to
investigate strange sounds, I
never expected to fall
through a portal into another

world. Yet here I am, a stranger in an even stranger land...and I'm stranded. In this world, might makes right, men carry swords, and gods walk the earth. Within minutes of arriving, I'm enslaved. Fun place. How do I get home? GREAT question. Wish I had an answer. The one person that might be able to help me is also the one person I want to throttle most. Aron, Lord of Storms, Butcher God of Battle, is my new companion. Or rather, I'm his. As Aron's anchor to the mortal realm, I'm the one

that's supposed to be guiding him through his exile in the mortal world. Ha. Joke's on him. I know nothing about this place. But Aron and I have a common goal - get home. And we're bonded - anchor and god - with a bond unlike any other. So we travel together. We bicker. We bathe together. We fight our many, many enemies together. And sure, he's a god, but he's also an arrogant jerk. Brawny, smoking hot, irresistible jerk. I should want nothing to do with him. I certainly shouldn't want to

do things to him. Mortals and gods don't mix. We stick to the plan and ignore our attraction. Focused, with one goal in mind. One task. One goal. Focused. I-oh heck, I'm going to end up kissing him again, aren't I?

Bound to Die Litres
First published in 1943, this autobiography is also a superb portrait of America's Depression years, by the folk singer, activist, and man who saw it all. Woody Guthrie was born in Oklahoma and traveled this whole country over—not by jet

or motorcycle, but by boxcar, thumb, and foot. During the journey of discovery that was his life, he composed and sang words and music that have become a national heritage. His songs, however, are but part of his legacy. Behind him Woody Guthrie left a remarkable autobiography that vividly brings to life both his vibrant personality and a vision of America we cannot afford to let die. “ Even readers who never heard Woody or his songs will

understand the current esteem in which he ’ s held after reading just a few pages... Always shockingly immediate and real, as if Woody were telling it out loud... A book to make novelists and sociologists jealous. ”

Lovers of the printed book, arise! Thirty of today's top writers are here to tell you you're not

alone. In Bound to Last, an amazing array of authors comes to the passionate defense of the printed book with spirited, never-before-published essays celebrating the hardcover or paperback they hold most dear—not necessarily because of its contents, but because of its significance as a one-of-a-kind, irreplaceable

object. Whether focusing on the circumstances behind how a particular book was acquired, or how it has become forever "bound up" with a specific person, time, or place, each piece collected here confirms—poignantly, delightfully, irrefutably—that every book tells a story far beyond the one found

within its pages. In addition to a foreword by Ray Bradbury, *Bound to Last* features original contributions by: Chris Abani, Rabih Alameddine, Anthony Doerr, Louis Ferrante, Nick Flynn, Karen Joy Fowler, Julia Glass, Karen Green, David Hajdu, Terrence Holt, Jim Knipfel, Shahriar Mandanipour, Sarah
