Do you wish you knew the  
rules for winning at the  
game of success? Contrary  
to popular belief, success is  
not just about becoming rich  
and famous. Chérie Carter-  
Scott, Ph.D., realizes that  
everyone has their own  
personal definition of  
success, whether it be to run  
a business, raise healthy,  
happy children, have more  
spare time, get good grades,  
or become President of the  
United States. In *If Success  
Is a Game, These Are the  
Rules*, Chérie addresses the  
issues at the heart of a  
meaningful and successful  
life. She helps you define

what success means to you, and then tells you in ten simple rules how you can achieve it. Chérie learned the rules of success firsthand: she built her management consulting firm to serve top clients around the world, including IBM and GTE. Her books, including the #1 New York Times bestseller *If Life Is a Game, These Are the Rules*, touch hundreds of thousands of readers. And despite a calendar that shuttles her through dozens of time zones annually, she keeps her family close and connected. With rules as clear as "Self-trust is essential" and "Your actions affect your outcome," Chérie guides readers step-by-step through all the various challenges on the path to success. From finding your true calling to discovering the riches abundant in day-to-day routines, to recognizing opportunities and managing your resources, *If Success Is a Game, These Are the Rules* is both inspirational and practical. Chérie explains the importance of having a vision but also the importance of setting realistic goals. She provides tools to help you identify your gifts but also tools to help manage your time. She shows you how to believe in yourself but also how to cultivate relationships with others. Success can be a difficult and precarious journey, but once we understand what our goals are and the ways that both advances and setbacks can work for us, we can begin to move closer to what we want, and to grow as individuals. Illuminated with motivational and personal stories, and written in Chérie's warm, engaging tone, *If Success Is a Game, These Are the Rules* is the perfect guide for your journey as you seek to fulfill all your dreams.

Often times the burden we carry as women derives from the erroneous decisions taken when choosing our lifetime partners. The connection we make with these men leads us to believing that we have found our "perfect match" or soul mate! Then without hesitation, we disregard contemplating or the urge to seek guidance through giving ourselves time to know what the "perfect match" is all about nor who he really is. "Bear in mind that not every women has put proper thought and deliberation prior to sealing God's union and covenant which is meant to never be broken." Genesis 2:18 - "Then the Lord said 'it is not good for man to be alone, I will make him a helper suitable for him' Then the man said: "This is now bone of my bones and flesh of my flesh" Publisher's description.
