" Not since Michael Pollan has such a powerful storyteller emerged to reform American food. " —The Washington Post Today ' s optimistic farm-to-table food culture has a dark secret: the local food movement has failed to change how we eat. It has also offered a false promise for the future of food. In his visionary New York Times – bestselling book, chef Dan Barber, recently showcased on Netflix ' s Chef ' s Table, offers a radical new way of thinking about food that will heal the land and taste good, too. Looking to the detrimental cooking of our past, and the misguided dining of our present, Barber points to a future " third plate " : a new form of American eating where good farming and good food intersect. Barber ' s The Third Plate charts a bright path forward for eaters and chefs alike, daring everyone to imagine a future for our national cuisine that is as sustainable as it is delicious.

A little book with a big heart—from the New York Times bestselling author of *A Man Called Ove* and *Anxious People*. "I read this beautifully imagined and moving novella in one sitting, utterly wowed, wanting to share it with everyone I know." —Lisa Genova, bestselling author of *Still Alice* From the New York Times bestselling author of *A Man Called Ove*, *My Grandmother Asked Me to Tell You She's Sorry*, *Britt-Marie Was Here*, and *Anxious People* comes an exquisitely moving portrait of an elderly man's struggle to hold on to his most precious memories, and his family's efforts to care for him even as they must find a way to let go. With all the same charm of his bestselling full-length novels, here Fredrik Backman once again reveals his unrivaled understanding of human nature and deep compassion for people in difficult circumstances. This is a tiny gem

with a message you'll treasure for a lifetime.
