In this very personal work--adapted from the original #1 bestseller, which the New York Times calls "as compelling as To Kill a Mockingbird, and in some ways more so"--acclaimed lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom. Stevenson's story is one of working to protect basic human rights for the most vulnerable people in

American society--the poor, the wrongly convicted, and those whose lives have been marked by discrimination and marginalization. Through this adaptation, young people of today will find themselves called to action and compassion in the pursuit of justice. Proceeds of this book will go to charity to help in Stevenson's important work to benefit the voiceless and the vulnerable as they attempt to navigate the broken U.S. justice system. *Royals One World* Now the Netflix Limited Series Unbelievable, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped--and the detectives who followed a winding path to arrive at the truth. “Gripping . . . 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months

earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, *Unbelievable* is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. NOW A MAJOR MOTION PICTURE, STARRING MICHAEL B. JORDAN, JAMIE FOXX, AND BRIE LARSON. A NEW YORK TIMES, WASHINGTON POST, BOSTON GLOBE, ESQUIRE, AND TIMEBOOK OF THE YEAR. A #1 New York Times bestseller, this is a powerful, true story about the potential for mercy to redeem us, and a clarion call to fix America's broken justice system, as seen in the HBO documentary *True Justice*. The US has the highest rate of incarceration in the world. One in every 15 people born there today is expected to go to prison. For black men this figure rises to one in 3. And *Death Row* is disproportionately black, too. Bryan Stevenson grew up poor in the racially segregated South. His innate sense of justice made him a brilliant young lawyer, and one of his first defendants was Walter McMillian, a black man sentenced to die for the murder of a white woman -- a crime he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political

machination, startling racial inequality, and legal brinkmanship -- and transformed his understanding of mercy and justice forever. At once an unforgettable account of an idealistic lawyer's coming of age and a moving portrait of the lives of those he has defended, *Just Mercy* is an inspiring argument for compassion in the pursuit of justice.

Here is the captivating prequel to *Well Done, Those Men*, Barry Heard's much-loved, deeply moving account of life as a Vietnam veteran. This memoir takes us back into the heart of Heard's experiences

as a boy and a young man in Australia during the 1950s and 1960s. Colourful, poignant, and often very funny, *The View from Connor's Hill* reveals a young man who, among the devastation of loss and constant upheaval, celebrates the joy of living in the bush, and delights in the love of his faithful dog Rover and his headstrong horse Swanee. Capturing the detail of a lost world of country and suburban life in Australia - a world of matinees, country dances, and manual dunnies - Barry Heard delivers his memories with an unwavering honesty and candour.

Just Mercy by Bryan Stevenson | Summary & Analysis Preview: Just Mercy: A Story of Justice and Redemption is a legal memoir by Bryan Stevenson. It is set in the 1980s and early 1990s and follows Stevenson ’ s legal career as an advocate for Alabama prisoners who have been condemned to death, especially prisoners who have been wrongly condemned and unjustly treated by the legal system. Stevenson focuses on the case of Walter McMillian, a black man who was falsely convicted of the murder of Ronda Morrison and placed on death row. Through an investigation and painstaking appeals process,

---

Stevenson ultimately succeeds in exposing the testimony against McMillian as false, wrongly obtained through police coercion and perjury. As a result, McMillian's sentence is overturned and he is cleared of all charges...

The New York Times best selling true story of an unlikely friendship forged between a woman and the man she incorrectly identified as her rapist and sent to prison for 11 years. Jennifer Thompson was raped at knifepoint by a man who broke into her apartment while she slept. She was able to escape, and eventually positively identified Ronald Cotton as her attacker. Ronald insisted that she was mistaken-- but Jennifer's positive identification was the compelling evidence that put him behind bars. After eleven years, Ronald was allowed to take a DNA test that proved his innocence. He was released, after serving more than a decade in prison for a crime he never committed. Two years later, Jennifer and Ronald met face to face-- and forged an unlikely friendship that changed both of their lives. With Picking Cotton, Jennifer and Ronald tell in their own words the harrowing details of their tragedy, and challenge our ideas of memory and judgment while demonstrating the

profound nature of human grace and the healing power of forgiveness.

#1 NEW YORK TIMES BESTSELLER • Jake Brigrance is back! The hero of A Time to Kill, one of the most popular novels of our time, returns in a courtroom drama that The New York Times says is "riveting" and "suspenseful." Clanton, Mississippi. 1990. Jake Brigrance finds himself embroiled in a deeply divisive trial when the court appoints him attorney for Drew Gamble, a timid sixteen-year-old boy accused of murdering a local deputy. Many in Clanton want a swift trial and the death penalty, but Brigrance digs in and discovers that there is more to the story than meets the eye. Jake's fierce commitment to saving Drew from the gas chamber puts his career, his financial security, and the safety of his family on the line. In what may be the most personal and accomplished legal thriller of John Grisham's storied career, we deepen our acquaintance with the iconic Southern town of Clanton and the vivid cast of characters that so many readers know and cherish. The result is a richly rewarding novel that is both timely and timeless, full of wit, drama, and—most of all—heart. Bursting with all the courthouse scheming, small-town intrigue, and stunning plot twists that have become the hallmarks of the master of the legal thriller, A Time for Mercy is John Grisham's most powerful courtroom drama yet. There is a time to kill and a time for justice. Now comes A Time for Mercy. Don't miss any of John Grisham's gripping books featuring Jake

Arc of Justice Henry Holt and Company WINNER OF THE 2022 PULITZER PRIZE IN BIOGRAPHY Booklist #1 Nonfiction Book of the Year \* African American Literary Book Club (AALBC) #1 Nonfiction Bestseller \* Named a Best Book of the Year by: NPR, Publishers Weekly, BookPage, Barnes & Noble, Hudson Booksellers, ARTnews, and more \* Amazon Editors' Pick \* Carnegie Medal of Excellence in Nonfiction Longlist "A compelling and important history that this nation desperately needs to hear." -Bryan Stevenson, New York Times bestselling author of Just Mercy and executive director of the Equal Justice Initiative Winfred Rembert grew up in a family of Georgia field laborers and joined the Civil Rights Movement as a teenager. He was arrested after fleeing a demonstration, survived a near-lynching at the hands of law enforcement, and spent seven years on chain gangs. During that time he met the undaunted Patsy, who would become his wife. Years later, at the age of fifty-one and with Patsy's encouragement, he started drawing and painting scenes from his youth using leather tooling skills he learned in prison. Chasing Me to My Grave presents Rembert's

breathtaking body of work alongside his story, as told to Tufts Philosopher Erin I. Kelly. Rembert calls forth vibrant scenes of Black life on Cuthbert, Georgia's Hamilton Avenue, where he first glimpsed the possibility of a life outside the cotton field. As he pays tribute, exuberant and heartfelt, to Cuthbert's Black community and the people, including Patsy, who helped him to find the courage to revisit a traumatic past, Rembert brings to life the promise and the danger of Civil Rights protest, the brutalities of incarceration, his search for his mother's love, and the epic bond he found with Patsy. Vivid, confrontational, revelatory, and complex, *Chasing Me to My Grave* is a searing memoir in prose and painted leather that celebrates Black life and summons readers to confront painful and urgent realities at the heart of American history and society.

What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of

Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss.

NATIONAL BESTSELLER "A vivid account of a remarkable life." —The Washington Post  
In this comprehensive, revelatory biography—fifteen years of interviews and research in the making—historian Jane Sherron De Hart explores the central experiences that crucially shaped Ginsburg's passion for justice, her advocacy for gender equality, and her meticulous jurisprudence. At the heart of her story and abiding beliefs is her Jewish background, specifically the concept of *tikkun olam*, the Hebrew injunction to "repair the world," with its profound meaning for a young girl who grew up

during the Holocaust and World War II. Ruth ' s journey begins with her mother, who died tragically young but whose intellect inspired her daughter ' s feminism. It stretches from Ruth ' s days as a baton twirler at Brooklyn ' s James Madison High School to Cornell University to Harvard and Columbia Law Schools; to becoming one of the first female law professors in the country and having to fight for equal pay and hide her second pregnancy to avoid losing her job; to becoming the director of the ACLU ' s Women ' s Rights Project and arguing momentous anti-sex discrimination cases before the U.S. Supreme Court. All this, even before being nominated in 1993 to become the second woman on the Court, where her crucial decisions and dissents are still making history. Intimately, personally told, this biography offers unprecedented insight into a pioneering life and legal career whose profound mark on American jurisprudence, American society, and our American character and spirit will reverberate deep into the twenty-first century and beyond. discussion of the American dilemma in the age of Trump brings together the head of the NAACP Legal Defense Fund, the former attorney general of the United States, a bestselling author and death penalty lawyer, and a star professor for an honest conversation the country desperately needs to hear. Drawing on their collective decades of work on civil rights issues as well as personal histories of rising from poverty and oppression, these leading lights of the legal profession and the fight for racial justice talk about the importance of reclaiming the racial narrative and keeping our eyes on the horizon as we work for justice in an unjust time. Covering topics as varied as “ the commonality of pain, ” “ when lawyers are heroes, ” and the concept of an “ equality dividend ” that is due to people of color for helping America brand itself internationally as a country of diversity and acceptance, I fill, Lynch, Stevenson, and Thompson also explore topics such as “ when did ‘ public ’ become a dirty word ” (hint, it has something to do with serving people of color), “ you know what Jeff Sessions is going to say, ” and “ what it means to be a civil rights lawyer in the age of Trump. ” Building on Stevenson ’ s hugely successful Just Mercy, Lynch ’ s national platform at the Justice Department, I fill ’ s role as one of the leading defenders of civil rights in

the country, and the occasion of Thompson ’ s launch of a new center on race, inequality, and the law at the NYU School of Law, A Perilous Path will speak loudly and clearly to everyone concerned about America ’ s perpetual fault line.

Galvanized by this brutality, Fox applied to a master's program in conflict and terrorism at Georgetown's School of Foreign Service, where she created an algorithm that predicted, with uncanny certainty, the likelihood of a terrorist cell arising in any village around the world. At twenty-one, she was recruited by the CIA. Her first assignment was reading and analyzing hundreds of classified cables a day from foreign governments and synthesizing them into daily briefs for the president. Her next assignment was at the Iraq desk in the

Counterterrorism center. At twenty-two, she was fast-tracked into advanced operations training, sent from Langley to "the Farm," where she lived for six months in a simulated world learning how to use a Glock, how to get out of flexicuffs while locked in the trunk of a car, how to withstand torture, and the best ways to commit suicide in case of captivity. At the end of this training she was deployed as a spy under non-official cover--the most difficult and coveted job in the field as an art dealer specializing in tribal and indigenous art and sent to infiltrate terrorist networks in remote areas of the Middle East and Asia. Life Undercover is exhilarating, intimate, fiercely intelligent--an impossible to put down record of an extraordinary life, and of Amaryllis Fox's astonishing courage and passion.
