Having grown up in a hyper religious environment dedicated to validation through performance, I find relief in the simplicity of breathing in, breathing out, even under water, knowing there is a very present God who suffers with me and my family. Richard paints a rich and tangible picture of One who is unconditionally loving in all our brokenness.

The whole title of this book is "Breathing Underwater: Spirituality and the Twelve Steps". It's got a chapter for each one of the Steps plus an intro and a bonus chapter in the end. The chapters are all short but still so power packed I nearly ended up highlighting the whole book! I expect I will come back to it again many times to re-read parts.
