THE STORY IS EQUAL PARTS DOWNTOWN ABBEY AND WARTIME ACTION , WITH ENOUGH ROMANCE AND INTRIGUE TO MAKE IT 100% NOT- PUT- DOWN-ABLE. Australian Woman's Weekly A tale of espionage, love and passionate heroism. Inspired by true events, this is the story of how society's 'lovely ladies' won a war. Each year at secluded Shillings Hall, in the snow-crisped English countryside, the mysterious Miss Lily draws around her young women selected from Europe's royal and most influential families. Her girls are taught how to captivate a man - and find a potential husband - at a dinner, in a salon, or at a grouse shoot, and in ways that would surprise outsiders. For in 1914, persuading and charming men is the only true power a woman has. Sophie Higgs is the daughter of Australia's king of corned beef and the only 'colonial' brought to Shillings Hall. Of all Miss Lily's lovely ladies, however, she is also the only one who suspects Miss Lily's true purpose. As the chaos of war spreads, women across Europe shrug off etiquette. The lovely ladies and their less privileged sisters become the unacknowledged backbone of the war, creating hospitals, canteens and transport systems where bungling officials fail to cope. And when tens of thousands can die in a single day's battle, Sophie must use the skills Miss Lily taught her to prevent war's most devastating weapon yet. But is Miss Lily heroine or traitor? And who, exactly, is she? Pennies for Hitler HarperCollins Australia

A rediscovered classic, originally published in 1938 -- and now an international bestseller. Address Unknown When it first appeared in Story magazine in 1938, Address Unknown became an immediate social phenomenon and literary sensation. Published in book form a year later and banned in Nazi Germany, it garnered high praise in the United States and much of Europe. A series of fictional letters between a Jewish art dealer living in San Francisco and his former business partner, who has returned to Germany, Address Unknown is a haunting tale of enormous and enduring impact.

'A compelling tale... a narrative that makes such a brave effort to see history as it evolves and not as it becomes.' SPECTATOR Suffused with the tense atmosphere of the times, and with brilliant portraits of Hitler, Goebbels, Goering and Himmler amongst others, Erik Larson's new book sheds unique light on events as they unfold, resulting in an unforgettable, addictively readable work of narrative history. Berlin,1933. William E. Dodd, a mild-mannered academic from Chicago, has to his own and everyone else's surprise, become America's first ambassador to Hitler's Germany, in a year that proves to be a turning point in history. Dodd and his family, notably his vivacious daughter, Martha, observe at first-hand the many changes - some subtle, some disturbing, and some horrifically violent - that signal Hitler's consolidation of power. Dodd has little choice but to associate with key figures in the Nazi party, his increasingly concerned cables make little impact on an indifferent U.S. State Department, while Martha is drawn to the Nazis and their vision of a 'New Germany' and has a succession of affairs with senior party players, including first chief of the Gestapo, Rudolf Diels. But as the year darkens, Dodd and his daughter find their lives transformed and any last illusion they might have about Hitler are shattered by the violence of the 'Night of the Long Knives' in the summer of 1934 that established him as supreme dictator . . .

The amazing story of Australia's first surgeon and the boy he adopted. It's 1789, and as the new colony in Sydney Cove is established, Surgeon John White defies convention and adopts Nanberry, an Aboriginal boy, to raise as his son. Nanberry is clever and uses his unique gifts as an interpreter to bridge the two worlds he lives in. With his white brother, Andrew, he witnesses the struggles of the colonists to keep their precarious grip on a hostile wilderness. And yet he is haunted by the memories of the Cadigal warriors who will one day come to claim him as one of their own. This true story follows the brothers as they make their way in the world - one as a sailor, serving in the Royal Navy, the other a hero of the Battle of Waterloo. No less incredible is the enduring love between the gentleman surgeon and the convict girl who was saved from the death penalty and became a great lady in her own right. PRAISE '[Jackie] is one of few masters who can embed historic characters in rattling good tales, and her meticulous research is seamlessly inserted so that you live the detail rather than learn it. Irresistible for history buffs of any age.' - Good Reading Magazine, five stars 'If every Australian history class in the country could be taught by Jackie French, we'd have an entire generation of kids with an enormous thirst for knowledge about our early European settlement and a whole lot more compassion for those who already called this country home.' - Sunday Tasmanian 'I've been telling all my friends to read this book, and to give it to their kids to read. It's absolutely engrossing.' - Herald Sun

For readers who were enthralled by Alan Gratz's PRISONER B-3087 comes a gripping novel about a lesser-known part of WWII. Lida thought she was safe. Her neighbors wearing the yellow star were all taken away, but Lida is not Jewish. She will be fine, won't she? But she cannot escape the horrors of World War II. Lida's parents are ripped away from her and she is separated from her beloved sister, Larissa. The Nazis take Lida to a brutal work camp, where she and other Ukrainian children are forced into backbreaking labor. Starving and terrified, Lida bonds with her fellow prisoners, but none of them know if they'll live to see tomorrow. When Lida and her friends are assigned to make bombs for the German army, Lida cannot stand the thought of helping the enemy. Then she has an idea. What if she sabotaged the bombs... and the Nazis? Can she do so without getting caught? And if she's freed, will she ever find her sister again? This pulse-pounding novel of survival, courage, and hope shows us a lesser-known piece of history -- and is sure to keep readers captivated until the last page.

What was it like to grow up German during Hitler ' s Third Reich? In this extraordinary book, Frederic C. Tubach returns to the country of his roots to interview average Germans who, like him, came of age between 1933 and 1945. Tubach sets their recollections and his own memories into a broad historical overview of Nazism—a regime that shaped minds through persuasion (meetings, Nazi Party rallies, the 1936 Olympics, the new mass media of radio and film) and coercion (violence and political suppression). The voices of this long-overlooked population—ordinary people

who were neither victims nor perpetrators—reveal the rich complexity of their attitudes and emotions. The book also presents selections from approximately 80,000 unpublished letters (now archived in Berlin) written during the war by civilians and German soldiers. Tubach powerfully provides new insights into Germany's most tragic years, offering a nuanced response to the abiding question of how a nation made the quantum leap from anti-Semitism to systematic genocide.

SOME GIRLS ARE BORN TO BE LOVED, SOME ARE BORN TO BE USEFUL, AND SOME ARE BORN TO BE BAD ... Indulged and wealthy Kat Fitzhubert is sold in an arranged marriage to a colony across the world. Lady Viola Montefiore is the dark-skinned changeling of a ducal family, kept hidden and then shipped away. Titania Boot is as broad as a carthorse, and as useful. On the long sea voyage from their homeland of England, these three women are fast bonded in an unlikely friendship. In the turmoil of 1850s Australia - which has reinvented itself from convict colony to a land of gold rushes and illusive riches - one woman forges a business empire, while another turns to illegal brewery, working alongside a bushranger as the valleys around her are destroyed. The third vanishes on her wedding day, in a scandal that will intrigue and mystify Sydney's polite society and beyond. In this magnificent and broad-sweeping saga, award-winning author Jackie French defies the myth of colonial women as merely wives, servants, petty thieves or whores. Instead, in this masterful storyteller's hands, these three women will be arbiters of a destiny far richer than the bewitching glitter and lure of gold.

"If we in Great Britain are resolute and wise there will emerge from this catastrophe something which may well give hope to the world" First published in 1939 as a Penguin Special, this is the original best-selling account of why Britain went to war with Germany. In simple terms it describes the stages of Adolf Hitler's ruthless pursuit for power, identifies his methods of deception and false diplomacy, and details his terrifying use of force that rendered peaceful negotiation increasingly difficult, and finally impossible. Shining a light on Hitler's early life and character, Harold Nicolson reveals the dictator's political theories in Mein Kampf, and explains the strategies he adopted in seizing the Rhineland, Austria, Czechoslovakia and later Poland. Written with clarity and insight, and read widely by soldiers during World War II, the final message of hope and peace is as relevant today as it was in 1939. This facsimile edition includes a new introduction by Andrew Roberts, best-selling author of *The Storm of War*; *Masters and Commanders* and *Hitler and Churchill: Secrets of Leadership*.

The Mind of Adolf Hitler Capstone

' MEIN KAMPF ' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF ' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and ' public statements ' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

Praise for the first edition of this book: This translation is something of an event. For the first time, it makes Zur Mühlen's text available to English-speaking readers in a reliable version. —David Midgley, University of Cambridge [This book] represents exceptional value, both as an enjoyable read and as an introduction to an attractive author who amply deserves rediscovery. —Ritchie Robertson, Journal of European Studies, 42(1): 106-07. Born into a distinguished aristocratic family of the old Habsburg Empire, Hermynia Zur Mühlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father. Never comfortable with the traditional roles women were expected to play, she broke as a young adult both with her family and, after five years on his estate in the old Czarist Russia, with her German Junker husband, and set out as an independent, free-thinking individual, earning a precarious living as a writer. Zur Mühlen translated over 70 books from English, French and Russian into German, notably the novels of Upton Sinclair, which she turned into best-sellers in Germany; produced a series of detective novels under a pseudonym; wrote seven engaging and thought-provoking novels of her own, six of which were translated into English; contributed countless insightful short stories and articles to newspapers and magazines; and, having become a committed socialist, achieved international renown in the 1920s with her *Fairy Tales for Workers' Children*, which were widely translated including into Chinese and Japanese. Because of her fervent and outspoken opposition to National Socialism, she and her life-long Jewish partner, Stefan Klein, had to flee first Germany, where they had settled, and then, in 1938, her native Austria. They found refuge in England, where Zur Mühlen died, forgotten and virtually penniless, in 1951.
