 Thursday 12 July
 1962 the Rolling
 Stones went on stage
 at the Marquee
 Club in London's
 Oxford Street. In
 the intervening fifty
 years the Stones
 have performed live
 in front of more
 people than any
 band... ever.
 They've played the
 smallest blues clubs

and some of the biggest stadium tours of all time. They've had No.1 singles and albums in every country that has a popular music chart and have helped define global popular culture. A phenomenal half-century later, they now look back at their astounding career. Curated, introduced and narrated by the band themselves, *The Rolling Stones 50* is the only officially authorized book to celebrate this milestone. With privileged access to a wealth of unseen and rare material, it is packed with superb reportage photography,

contact sheets, negative strips, outtakes and so much more, from every period in the band's history. With more than 1,000 illustrations, it also features some of the most rare and interesting Stones memorabilia in existence: international posters, draft record cover art, bubblegum cards, jigsaws and other previously unpublished treasures specially photographed for this volume. The ephemera comes from the greatest Rolling Stones collection in the world, which belongs to Ali Zayeri. Featuring

photography from the Daily Mirror's archive and with contributions by photography legends Gered Mankowitz, Jean-Marie Prier, Dezo Hoffmann, Michael Cooper, Terry O'Neill, Bent Rej, Philip Townsend and many others, this is the definitive celebration of fifty years of the Rolling Stones. From Mick, Keith, Charlie and Ronnie - here is one spectacular thank you to their fans all over the world. *The Greatest Rock Guitar Fake Book (Songbook)* Music Sales

Bob Dylan - Ukulele Chord Songbook Hal Leonard Corporation Sixty of the best songs of the early rock era, all chosen from Rolling Stone magazine's 500 Greatest Songs of All Time list. The songs are from the 1950s to the '60s,

arranged for piano /vocal/chords. Many of these great songs were previously available only as "old-time" sheet music editions that did not accurately portray the classic recordings that made them famous. In preparing this songbook, Alfred Music took great care to revisit those recordings, replacing incorrect arrangements with new ones that allow pianists and singers to perform the songs in the style that landed them on the Rolling Stone 500.
