New York Times bestselling adult author of *The Bear and the Nightingale* makes her middle grade debut with a creepy, spellbinding ghost story destined to become a classic. Now in paperback. After suffering a tragic loss, eleven-year-old Ollie who only finds solace in books discovers a chilling ghost story about a girl named Beth, the two brothers who loved her, and a peculiar deal made with "the smiling man"—a sinister specter who grants your most tightly held wish, but only for the ultimate price. Captivated by the tale, Ollie begins to wonder if the smiling man might be real when she stumbles upon the graves of the very people she's been reading about on a school trip to a nearby farm. Then, later, when her school bus breaks down on the ride home, the strange bus driver tells Ollie and her classmates: "Best get moving. At nightfall they'll come for the rest of you." Nightfall is, indeed, fast descending when Ollie's previously broken digital wristwatch begins a startling countdown and delivers a terrifying message: RUN. Only Ollie and two of her classmates heed these warnings. As the trio head out into the woods—bordered by a field of scarecrows that seem to be watching them—the bus driver has just one final piece of advice for Ollie and her friends: "Avoid large places. Keep to small." And with that, a deliciously creepy and hair-raising adventure begins.

As Dawn Breaks Harlequin

New York Times best-selling author Cynthia Leitich Smith turns to realistic fiction with the thoughtful story of a Native teen navigating the complicated, confusing waters of high school — and first love. When Louise Wolfe's first real boyfriend mocks and disrespects Native people in front of her, she breaks things off and dumps him over e-mail. It's her senior year, anyway, and she'd rather spend her time with her family and friends and working on the school newspaper. The editors pair her up with Joey Kairouz, the ambitious new photojournalist, and in no time the paper's staff find themselves with a major story to cover: the school musical director's inclusive approach to casting *The Wizard of Oz* has been provoking backlash in their mostly white, middle-class Kansas town. From the newly formed Parents Against Revisionist Theater to anonymous threats, long-held prejudices are being laid bare and hostilities are spreading against teachers, parents, and students — especially the cast members at the center of the controversy, including Lou's little brother, who's playing the Tin Man. As tensions mount at school, so does a romance between Lou and Joey — but as she's learned, "dating while Native" can be difficult. In trying to protect her own heart, will Lou break Joey's?

Powerful Retelling of the Story of Esther In 1944, blond and blue-eyed Hadassah Benjamin feels abandoned by God when she is saved from a firing squad only to be handed over to a new enemy. Pressed into service by SS-Kommandant Colonel Aric von Schmidt at the transit camp of Theresienstadt in Czechoslovakia, she is able to hide behind the false identity of Stella Muller. However, in order to survive and maintain her cover as Aric's secretary, she is forced to stand by as her own people are sent to Auschwitz. Suspecting her employer is a man of hidden depths and sympathies, Stella cautiously appeals to him on behalf of those in the camp. Aric's compassion gives her hope, and she finds herself battling a growing attraction for this man she knows she should despise as an enemy. Stella pours herself into her efforts to keep even some of the camp's prisoners safe, but she risks the revelation of her true identity with every attempt. When her bravery brings her to the point of the ultimate sacrifice, she has only her faith to lean upon. Perhaps God has placed her there for such a time as this, but how can she save her people when she is unable to save herself? "I absolutely loved this book. For Such a Time kept me up at night, flipping the pages and holding my breath wanting to know what would happen next. Based on the Biblical book of Esther, the story takes the reader to a concentration camp inside World War II Czechoslovakia, where a young Jewish woman has captured the attention of the Kommandant and has the opportunity to save her people, much as Esther did in the Biblical account. The story is gripping, compelling, and I dare anyone to close the cover before the last suspenseful page."--#1 New York Times Bestselling Author, Debbie Macomber "When I finished Kate Breslin's novel for the first time, I had an urge to flip back to page one and start reading all over again. It's that good. For Such a Time is an intimate portrait painted on a grand scale, bringing to life the drama and pain of suffering with the triumph and joy of freedom. This book deserves a wide audience, and newcomer Breslin has a bright future."--#1 New York Times bestselling author, Susan Wiggs "An engrossing and inspiring story from a talented new writer."--Bestselling Author, Sheila Roberts

An Uncommon Courtship (Hawthorne House Book #3) Houghton Mifflin

Doctor Syn is a quiet, unassuming vicar in the small fishing village of Dymchurch-under-the-wall. He, his sexton Mipps, and the friendly villagers lead a simple life—until a frigate sent by the King lands at their docks, and an officious captain steps down into the village in search of smugglers. As the captain and his crew investigate the tiny town of Dymchurch, the village is struck by a string of mysterious murders, and the king's men soon find themselves embroiled in a dark conspiracy. The town and its quirky inhabitants may not be all that they seem. Russell Thorndike turned to fiction writing after serving in World War I. Doctor Syn is the first in his series of thirteen novels featuring the titular character, though chronologically, the events in this novel are the epilogue to the series. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
