ME18H704SFS Over the Range Microwave with ... - Samsung ca

When installing an "over range" Samsung Microwave you must have between 30 and 36 inches of space between the cabinets over your stove. Without this space, your microwave oven will not bolt into place. Samsung microwaves can vent to the outside like your existing range hood does, or it can vent back into the room.

IMPORTANT Observe all governing codes and ordinances. • Note to Installer - Be sure to leave these instructions with the Consumer. • Note to Consumer - Keep these instructions for future reference.

Over the Range | Official Samsung Support

• This microwave oven is for installation over ranges up to 36" wide. • The microwave must be level. Use a level to make sure the cabinet bottom is level. If the cabinets have a front overhang only, with no back or side frame, install the mounting plate down the same distance as the front overhang depth. This will keep the microwave level.
